## **SSES MISSION**

The SSES provides a learning environment to science-inclined children through a special curriculum which recognizes multiple intelligences and is geared towards the development of God-loving, globally competitive, nationalistic, creative ecologically aware, scientifically and technologically oriented and skilled individuals who are empowered through lifelong learning skills.

## **SSES VISION**

The SSES envisions developing Filipino children who are equipped with scientific and technological knowledge, skills and attitude, creative and have positive values, and lifelong learning skills to become productive partners in the development of the community and society
